Re: Patent Infringement of Luraco Patents by Sam's Spa Nail Supply salon products

Dear Mr. Tran,

We are intellectual property counsel for Luraco Health & Beauty, LLC, which is licensed by Luraco, Inc for using U.S. design patent D751,723 S (Foot Spa).

A comparison of the design patent above with your product offering reveals an apparent infringement by your products. See enclosed Exhibits A, B, and C.

Luraco desires to amicably resolve this matter, and is willing to discuss selling its products to you and eliminate any dispute. However, until this matter is resolved, it is requested that all Sam's Spa Nail Supply-affiliated organizations cease and desist from selling or offering for sale the foot spas shown in the exhibits.

We look forward to hearing from you regarding this matter. You can contact me through email or phone, as provided below. Please contact me within two weeks of receiving this letter. I will assume that I should counsel stronger measures if you make no attempt to contact me during that time.

Respectfully,
s/Warren V. Norred/
